REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: There is no prior art of record that teaches or suggests a method of electroplating by flowing a current in the direction opposite to the direction for growing the plating so as to cancel a concentration gradient of a brightener which accelerates the growth of plating.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Renee R. Berry whose telephone number is (571) 272-1774. The examiner can normally be reached on M-F 9-5:30.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
